Certificated Evaluation Form

Classified Evaluation Form

### C. 3-Step Evaluation Process

1. **START:** Evaluator starts an evaluation document and the Evaluatee will be notified.
2. **UPDATE:** Evaluator updates the evaluation document and when ready chooses to notify Evaluatee of the changes and give access to the document. If required, Evaluatee will update the form and the Evaluator will be notified.
3. **E-SIGN:** Evaluator and Evaluatee meet in-person, discuss about the evaluation document and input their pin codes to e-sign. Once the PINs are verified, Evaluation is then e-signed and a PDF rendition is emailed to the Evaluator, Evaluatee and HR Department.

Evaluation is complete.

Error Occurred. Needs Correction.

### E. Things to Remember

1. Choose a 4-digit E-sign *PIN* that you can easily remember. If you forget your PIN, reset it by clicking "Reset E-sign Pin" on the **Evaluat'd** website.
2. Capturing your signature is a one-time process. The same signature will be used for all your e-signs with a 4-digit PIN. You can update your signature anytime, if you choose to.
3. Every evaluation document is private, by default. Evaluator must give access to Evaluatee.
4. Always remember to click on UPDATE to save your evaluation document.
5. Firefox or Chrome browsers are recommended.
6. Evaluation cannot be modified after it is e-signed. If you want to make changes after it is e-signed, contact your HR department to request a reset. All data already input into the evaluation will stay intact after reset.
7. Always look for the **success message** after every action: start, update or e-sign. If you get an **error message**, fix those errors before trying again.
8. Always click on sign-out before leaving the application, especially if you are using a public computer.

### F. Update Signature (Evaluator and Evaluatee)

1. Sign-in into **Evaluat'd**
2. In your *dashboard*, click on Signature
3. Click on Update Signature
4. Use your mouse or any touch screen device; draw your signature inside the dotted rectangle. (Click on the *double-arrows* on the lower right corner, to reset and draw again, until you are satisfied.)
5. Click on *Submit*.
6. Your signature will be saved. Click on *Review Signature*.
7. If you are satisfied with the signature displayed on screen, click on the *Return To Dashboard*.
8. If you are not satisfied with the signature, click on *Update Signature Again* and repeat steps from #4 above.
